

Is osteogenic differentiation of human nucleus pulposus cells a possibility for biological spinal fusion? Brown SJ, Turner SA, Balain BS, Davidson NT, Roberts S. Cartilage. 2018 Jan 1;1947603518754628. [Epub ahead of print]

Note: Please click on article titles to retrieve PubMed abstracts. For the full-text of these articles, please contact the library on ext. 4388 or by e-mailing: library@rjah.nhs.uk

Staff publications 2014-present can now be searched online on our SheLib book catalogue. Click here to retrieve the full list of staff publications. These records all have links to abstracts.

- To search for staff publications, go to: https://wv-shelib.olib.oclc.org/webview/, select Keyword search on the left-hand side of the screen and type ‘staff publications’ in the search box.
- To search for staff publications in a specific year, type ‘staff publications 2017’. This should retrieve all staff publications for 2017.
- You can also search on the title of an article or on the name of an author by selecting Title/Author search on the left-hand side of the screen and typing the title or the author’s surname into the relevant search boxes.

The staff publications archive (1994-2017) can be viewed and downloaded from the Document Centre. Click here to view list of staff publication archives.
