PODIUM PRESENTATIONS

International / National

121st AOA / 63rd COA Annual Meeting, Quebec City, Canada, June 2008
Comparison of fixed and mobile bearing medial compartment arthroplasty

71st AAOS, San Francisco, USA, March 2004
Early results of autologous chondrocyte implantation in the talus

5th International Symposium on Cartilage Repair and Regeneration, Oswestry, Nov 2002
Autologous chondrocyte implantation in the talus

British Hip Society, Sheffield, March 2004
Can we justify staged revision hip surgery

British Association of Plastic Surgeons, London, November 2002
Antibiotic prophylaxis in clean incised hand injuries

British Orthopaedic Foot Surgery Society, Wirral, November 2002
Early results of autologous chondrocyte implantation in the talus

British Trauma Society, Leeds, October 2001
An algorithm to investigate the undiagnosed traumatic painful adult hip

Regional

Registrar Presentation, Oswestry, March 2006

Staged revision hip arthroplasty using an articulating antibiotic spacer

Naughton Dunn, Oswestry, April 2004

Early results of autologous chondrocyte implantation in the talus

Research Day, Oswestry, March 2004

Early results of autologous chondrocyte implantation in the talus

Registrar Presentation, Oswestry, March 2003

Early results of autologous chondrocyte implantation in the talus

Registrar Presentation, Oswestry, March 2002

Antibiotic prophylaxis in clean incised hand injuries

Naughton Dunn, Birmingham, November 2000

Painful hip guidelines: 1 year results

PODIUM PRESENTATIONS – *Presented by co authors*

International

Knee Society, 25th Annual Interim Meeting, Denver, USA, October 2008

Comparison of fixed and mobile bearing medial compartment arthroplasty

EFFORT, Nice, France, June 2008

Mid-term results of cement-in-cement acetabular revision in total hip arthroplasty

International Cartilage Research Society, Gent, Belgium, May 2004

Early results of autologous chondrocyte implantation in the talus

National / Regional

British Orthopaedic Research Society, July 2007

Tension band wiring of transverse patella fractures: Fibre wire compared with stainless steel wire

British Association of Knee Surgeons, Basingstoke, April 2004

Knee morbidity following donation of cartilage for autologous chondrocyte implantation

Registrar Presentation, Oswestry, March 2000

Pain scores following injection with steroid and local anaesthetic

POSTER PRESENTATIONS

International / National / Regional

BHS, Manchester, Feb 2012

Midterm Results of a Ceramic on Ceramic Bearing for Uncemented THR (Poster)

10th European Hip Society Congress, Milan, Sep 2012

Outcomes of Ceramic on Ceramic THRs 'Nearly Non Squeaking' (Poster)
