

Volunteer role description

Photography

Location – Mobile working

We are looking for a photographer that we can call on for events to capture the moment.

What's involved?

- Attending events where we can gain pictures and videos - often out of hours.
- Gaining consent from people to use the photos.
- Uploading to social media platforms.
- Sending to the office for us to use in the future.

What will you get out of it?

- Utilising your communication skills, enhancing your CV, or just keeping in touch with people
- Have a rewarding experience helping us to raise awareness on the RJAH in the community

How much time should I give?

We would suggest a few hours a month or more if you have the time, we would need you to commit to events.
